File No. 812-
Investment Company Act of 1940

INTRODUCTION

The Applicants (as defined below) hereby request an order (the “**Order**”) of the U.S. Securities and Exchange Commission (the “**Commission**”) to amend the prior order issued to HPS Corporate Lending Fund, et. al. (Investment Company Act of 1940, Release No. 34493, February 1, 2022) pursuant to Sections 17(d) and 57(i) of the Investment Company Act of 1940 (the “**1940 Act**”), and Rule 17d-1 promulgated under the 1940 Act (the “**Prior Order**”), authorizing certain joint transactions that otherwise may be prohibited by Sections 17(d) and 57(a)(4) and Rule 17d-1 under the 1940 Act.¹

The BDCs, the Existing Advisers and the Existing Affiliated Funds (each as defined below) may be referred to herein as the “**Applicants**.”

Except as stated herein, defined terms used in this application (the “**Application**”) for an amended order have the same meanings provided in the application for the Prior Order (the “**Prior Application**”).²

The Prior Order permits one or more Regulated Entities and Affiliated Funds to participate in the same investment opportunities where such participation would otherwise be prohibited under Sections 17(d) and 57(a)(4) and the rules under the 1940 Act. All Applicants are eligible to rely on the Prior Order.

All entities as of the date of submission of this Application that currently intend to rely on the requested Order have been named as Applicants. Any other existing or future entity that relies on the requested Order in the future will comply with the terms and conditions of this Application.

I. APPLICANTS

A. The BDCs

HPS Corporate Lending Fund is an externally managed, closed-end, non-diversified management investment company that has elected to be regulated as a business development company under the 1940 Act (“**HLEND**”). A description of HLEND is included in Schedule A to this Application.

HCX Series SLF Fund is an externally managed, closed-end, non-diversified management investment company that intends to elect to be regulated as a business development company under the 1940 Act (“**HCX**”). A description of HCX is included in Schedule A to this Application.

HLEND and HCX together are the “**BDCs**”.

B. The Existing Advisers

HPS Investment Partners, LLC (“**HPS**”) is registered as an investment adviser under the Investment Advisers Act of 1940, as amended (the “**Advisers Act**”) and served as the investment adviser to HLEND prior to June 30, 2023. HPS Advisors, LLC (“**HPS Advisors**”) is the investment adviser to the BDCs, is registered as an investment adviser under the Advisers Act and is a wholly-owned subsidiary of HPS. The term “**Existing Adviser**” means (a) HPS, (b) HPS Advisors and (c) the entities set forth in Schedule B hereto (the “**Other Existing Advisers**”), each of which is either registered as an investment adviser under the Advisers Act or relying on the registration under the Advisers Act of HPS and is a subsidiary of HPS. Each Existing Adviser is an Adviser under the Prior Application. Each Other Existing Adviser and HPS acts as investment adviser to one or more Existing Affiliated Funds.

¹ Unless otherwise indicated, all section and rule references herein are to sections of, and rules under, the 1940 Act.

² HPS Corporate Lending Fund, et al., File No. 812-15190, Amendment No. 4, filed December 23, 2021.

The Other Existing Advisers are controlled and wholly owned by HPS, with the exception of HPS Investment Partners CLO (US), LLC and HPS Investment Partners CLO (UK) LLP, which are controlled by HPS but are partially owned by unaffiliated third parties. A description of the Other Existing Advisers is included in Schedule B to this Application.

C. Existing Affiliated Funds

The investment vehicles set forth in Schedule C hereto, each of which is an Affiliated Fund and an entity whose investment adviser is an Existing Adviser (the “*Existing Affiliated Funds*”).

The Regulated Entities and the Affiliated Funds may be under common control. Any of the Affiliated Funds or Advisers would be deemed to be a person identified in Section 57(b) of the 1940 Act if it is an affiliated person of HPS within the meaning of Section 2(a)(3)(C), thus requiring exemptive relief for certain co-investments with the Regulated Entities.

II. APPLICANTS’ PROPOSAL

Applicants Seek to Update the Definition of “Follow-On Investment”

On April 8, 2020 the SEC announced that it would provide temporary, conditional exemptive relief (the “*Temporary Relief*”) for business development companies that would permit business development companies with effective co-investment orders to participate in Follow-On Investments with an Affiliated Fund that is not already invested in the issuer.³

In issuing the Temporary Relief, the Commission found that in light of the effects of COVID-19 permitting these types of Follow-On Investments was “necessary and appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the [1940 Act].”⁴ The Temporary Relief did not permit Follow-On Investments by Regulated Entities that were not already invested in the issuer.

Applicants seek an amendment to the Prior Order in order to update the definition of “Follow-On Investments” to be consistent with the Temporary Relief. The amended definition would read as follows:

“*Follow-On Investments*” mean: (i) with respect to a Regulated Entity, an additional investment in the same issuer in which the Regulated Entity is currently invested; or (ii) with respect to an Affiliated Fund, (X) an additional investment in the same issuer in which the Affiliated Fund and at least one Regulated Entity are currently invested; or (Y) an investment in an issuer in which at least one Regulated Entity is currently invested but in which the Affiliated Fund does not currently have an investment. An investment in an issuer includes, but is not limited to, the exercise of warrants, conversion privileges or other rights to purchase securities of the issuer.

Applicants believe that this update will simply incorporate the terms of the Temporary Relief into the Prior Order and that the findings made by the Commission with respect to the Temporary Relief are equally applicable to the proposed Order and do not raise new policy concerns.

³ Order Under Sections 6(c), 17(d), 38(a), and 57(i) of the Investment Company Act of 1940 and Rule 17d-1 Thereunder Granting Exemptions from Specified Provisions of the Investment Company Act and Certain Rules Thereunder, Rel. No. IC-33837 (Apr. 8, 2020) (extension granted on January 5, 2021 and further extension granted on April 22, 2021).

⁴ *Id.* at 2.

The Applicants submit that the analysis in Section III, "Order Requested" and Section IV, "Statement in Support of Relief Requested," of the Prior Application is equally applicable to this Application, which differs only from the Prior Application in so far as the definition of Follow-On Investments has been updated to be consistent with the Temporary Relief.

III. REQUESTED RELIEF

Accordingly, the Applicants respectfully request that the Commission grant an Order amending the Prior Order. The Applicants are seeking to amend the definition of "Follow-On Investment" in the Prior Order in order that certain Affiliated Funds may participate in Follow-On Investments under the Order consistent with the terms of the Temporary Relief.

For the reasons stated herein, Applicants believe that:

- With respect to the relief pursuant to Sections 17(d) and 57(i) and Rule 17d-1, the relief continues to be appropriate in the public interest and consistent with the protection of investors, and the Regulated Entities' participation in Co-Investment Transactions will be consistent with the provisions, policies, and purposes of the 1940 Act and on a basis that is not different from or less advantageous than that of other participants.

IV. REPRESENTATIONS AND CONDITIONS

Applicants agree that any Order of the Commission granting the requested relief will be subject to all of the representations and conditions in the Prior Order, except that the definition of Follow-On Investments has been revised as set forth in this Application.⁵

Institutional Credit: The strategy's principal investment objective is to generate attractive risk-adjusted returns while minimizing volatility and credit loss across market cycles. The strategy focuses primarily on performing credit investments across the leveraged loan, high yield bond and securitized credit asset classes, generally investing in the debt of North American and European businesses. The fund may also, from time to time, invest in other instruments, including equities, credit default swaps and other derivative products.

Liquid Loan: This strategy seeks to provide investors with attractive risk-adjusted returns, through high floating rate income balanced by an objective of long-term principal preservation. The strategy intends to provide investors with exposure to a diversified, actively managed portfolio consisting primarily of broadly syndicated senior secured loans.

Real Estate Capital Solutions: To achieve current returns through real estate debt investments. Although the strategy may make investments across the capital structure, and primarily focus on real estate debt investments. These investments may include, for example, mezzanine securities, first mortgage whole loans, and subordinated mortgage loans (also referred to as B-notes), in each case, related to real estate and real estate-related assets and businesses.

Energy and Power: This strategy seeks to generate attractive risk-adjusted returns by investing in privately negotiated, directly originated Secured Debt (as defined below), mezzanine debt and debt-like preferred equity issued by North American energy and power (including renewable energy) companies. In addition, the strategy may acquire warrants and/or equity in connection with such debt investments and may invest in reserve-based loan facilities or similar investments secured by the assets and/or underlying collateral of issuers which the manager expects will be recapitalized.

Collateralized Loan Obligation ("CLO"): This strategy consists of structured credit vehicles that invest principally in floating rate secured corporate loans through a leveraged capital structure which seeks to benefit from low cost, long term, stable debt financing. This strategy is subject to certain thresholds, as is typical for CLOs, with respect to collateral quality, asset-type concentration, geographic exposure, ratings, covenant terms and coverage tests.

Specialty Direct Lending: The strategy will seek to generate current income while preserving capital by investing primarily in newly originated secured debt. The strategy's investments in newly originated secured debt may take the form of loans, notes, corporate debt securities, bridge loans, assignments, participations, total return swaps and other derivatives. In addition, the strategy may invest in warrants and/or equity related to the fund's debt investments. In select situations, the fund may invest in opportunistic investments with a view to enhancing returns, including unsecured debt, mezzanine debt, asset backed securities, convertible debt, debtor-in-possession financings and equity in loan portfolios or portfolios of receivables. The strategy expects to originate loans and debt instruments, and will also have the ability to acquire investments through secondary transactions, including through loan portfolios, receivables, contractual obligations to purchase subsequently originated loans and other debt instruments.

Core Senior Loans: This strategy seeks to generate current income while preserving capital by investing primarily in newly originated secured debt, focusing on established, stabilized middle market borrowers. The strategy generally expects to pursue a buy and hold strategy, with returns generated primarily from ongoing interest income as well as original issue discount, closing payments, commitment fees, prepayments and related penalties.

Mezzanine Debt: This strategy seeks to achieve current returns as well as long-term capital appreciation through investments in mezzanine securities, which are high-yielding fixed and floating rate debt and debt-like instruments. Mezzanine securities may include subordinated debt (such as second lien and unsecured debt), preferred equity and convertible securities and may be accompanied by equity-related securities (such as options or warrants) and/or select common equity investments related to the strategy's mezzanine investments. In certain situations, the strategy may also invest in senior debt instruments and other opportunistic investments including unitranche securities, structured debt tranches and equity investments unrelated to the strategy's mezzanine investments.

European Asset Value: This strategy's investment objective is to make opportunistic and thematic credit-related investments that will seek to generate attractive risk-adjusted returns through current income from acquired and newly-originated financial assets and sale proceeds from underlying asset sales or other resolutions. The funds' investments are expected to include, but not be limited to, commercial assets and securities, performing financial asset portfolios that may include the seller's servicing and sourcing capabilities and personnel, impaired loan portfolios, real estate, consumer assets and securities as well as other real assets. In addition, the funds may pursue other opportunistic investments to take advantage of prevailing market conditions, including the changing regulatory landscape.

RESOLUTIONS OF THE BOARD OF TRUSTEES OF HPS CORPORATE LENDING FUND

THE UNDERSIGNED, being all of the members of the Board of Trustees (the "Board") of HPS Corporate Lending Fund, a Delaware statutory trust (the "Fund"), acting by unanimous written consent in accordance with Article IV, Section 4.13 of the Fund's Fourth Amended and Restated Declaration of Trust (the "Declaration of Trust"), hereby adopt the following resolutions without a meeting, with full force and effect as if adopted by the unanimous affirmative vote of the Board at a meeting duly called and constituted, to be effective as of the date indicated herein.

Approval of Application to Amend Co-Investment Exemptive Order

WHEREAS, the Board has considered the application for an order to amend the Fund's co-investment exemptive order pursuant to Sections 17(d) and 57(i) of the Investment Company Act of 1940, as amended (the "1940 Act"), and Rule 17d-1 under the 1940 Act, permitting certain joint transactions otherwise prohibited by Sections 17(d) and 57(a)(4) of the 1940 Act;

NOW THEREFORE BE IT RESOLVED, that the officers of the Fund be, and each of them hereby is, authorized in the name and on behalf of the Fund to submit and cause to be filed with the Securities and Exchange Commission an application for an amended order of exemptive relief, in substantially the form attached as Exhibit A, with such changes, modifications, or amendments thereto as the officer or officers executing the same (personally or by attorney) may approve as necessary or desirable, such approval to be conclusively evidenced by his, her or their execution thereof; and be it further

RESOLVED, that the officers of the Fund or their designees be, and each hereby is, authorized and empowered to execute such documents or take such further actions as they deem reasonably necessary, on the advice of counsel, to effect the preceding resolution.

(Approved by unanimous written consent of the Board on June 24, 2022.)

RESOLUTIONS OF THE BOARD OF TRUSTEES OF HCX SERIES SLF FUND

Approval of Reliance on Co-Investment Exemptive Order

WHEREAS, an exemptive order was issued by the SEC on February 1, 2022, as it may be amended from time to time (the *Order*), to certain affiliates of HCX Series SLF Fund (the *Company*), which permits the Company to participate in certain co-investment transactions (each such transaction, a *Co-Investment Transaction*) with certain affiliates that otherwise would be prohibited under either or both of Section 17(d) and 57(a)(4) of the 1940 Act and Rule 17d-1 thereunder, in accordance with the conditions to the Order (each, a *Condition*), which are set forth in the Notice of Application issued by the SEC on January 5, 2022 (the *Notice*) to HPS Corporate Lending Fund, et al.; and

WHEREAS, the Company is entitled to rely on the Order because it meets the definition of *Regulated Entity* (as defined in the Notice); and

WHEREAS, the Board of Trustees of the Company believes that it is in the best interests of the Company to participate in Co-Investment Transactions.

NOW, THEREFORE, BE IT RESOLVED, that it is in the best interests of the Company, and the Company hereby is authorized, to participate in Co-Investment Transactions.

(Approved by the Board at a meeting held on June 2, 2023.)
